

COFFEE COMPANION

FLAVOR ENHANCER

PROVIDING YOUR CUSTOMERS A PREFERRED CHOICE

Love coffee, just not straight black? Well now you can add your favorite sweetener or creamer with the touch of a button.

Newco's Coffee Companion Dispenser fits next to your coffee brewer, creating a flavor station. This allows your customers to flavor their coffee with a wide variety of sweeteners including but not limited to cream and sugar with simple one-button operation.

When a button is depressed a programmable amount will be dispensed straight into the cup. Coffee Companion eliminates packets on the counter and theft of product.

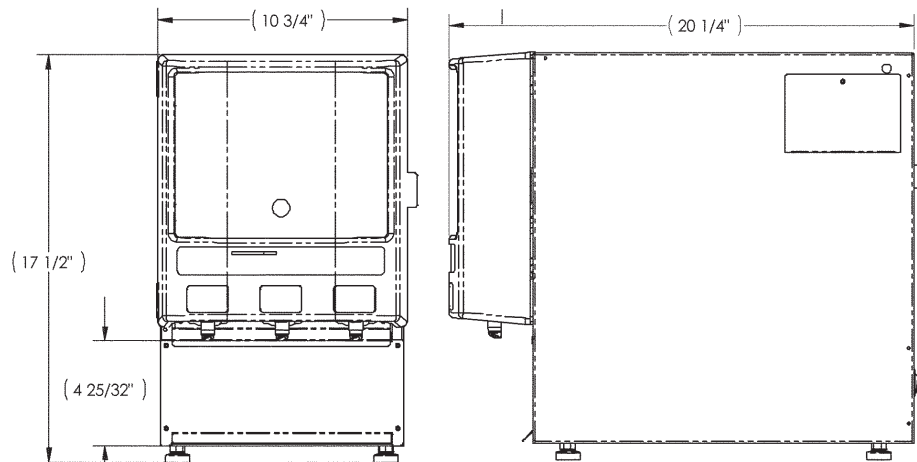

- **Space saving compact design fits under most cabinets.**
- **3 separate hoppers.**
- **Save 20-70% per servings, over individual packets.**
- **Eliminates pilferage and waste.**
- **Accelerates beverage preparation.**
- **Shelf-stable powder products.**
- **Environmentally friendly – saved over 224 million packets from a landfill yearly.**
- **2 pound capacity hoppers**
- **Programmable 1/2 second portions (approx. 1 tsp) control and manual press & hold control features.**
- **Accommodates most cup sizes with use of optional 4" legs.**
